The Best Way to Give

A gift to United Way of Yellowstone County's Community Impact Fund allows you to help more people than a gift to a single nonprofit can. Community Impact Fund dollars go to the needs everyone is aware of, but also to needs less obvious but no less important.

United Way of Yellowstone County is:

- **Effective:** We only invest in programs at agencies that are in good financial health and in programs with results that are measurable, sustainable, and meet current community needs.
- **Efficient:** Donor dollars are leveraged to meet the most pressing needs in our community.
- **Local:** We invest in programs and agencies in the areas of health, education and financial stability located in Yellowstone County. All money raised here, stays here.

6 Decades of Impact

Because of donors like YOU:

- \$24 million has been allocated to local agencies whose work aligns with our mission.
- Hundreds of children have benefited from quality after school time in CARE, Academy and Discover Zones.
- Thousands of books and school supply items have been distributed, free of charge, to our youngest neighbors.
- Countless lives continue to be impacted by your generosity.
