United Way
of Yellowstone County

About the Program

Share quality time with your child in a fun, enriching environment. Play is an important need for young children and a key way in which they learn about the world around them and build relationships with others. Our Playgroup offers a variety of age-appropriate activities which promote

healthy development. The program is open to all local caregivers and their children, ages birth -- 5 years.

The program is currently supported through the Community Care Fund of United Way of Yellowstone County, with facilities support provided by the City of Billings Parks and Recreation Department.

What Our Families Have to Say...

"Playgroup has been a life-saver."

"I love meeting new people and having a chance to play with my boys without electronic distractions."

"The summer program gave us a chance to see the different parks Billings has to offer."

"This provides our children with a safe, relaxed environment to learn and grow."

"We appreciate the sense of community that is an essential part of the program."

"Participating in Playgroup helped my child learn to socialize before preschool."

"We have learned many new songs to sing on long road trips."

At Playgroup, children will...

- ◆ Play with you and alongside or with other young children
- ◆ Use imagination & creativity
- ◆ Develop large & small motor skills
- ◆ Experience art
- ◆ Listen to stories
- ◆ Learn songs & finger-plays
- ◆ Increase communication & social skills
- ◆ Have lots of fun!

Parents and Caregivers will...

- ◆ Have time to play with your child
- ◆ Learn about child development
- ◆ Develop new friendships and build a support network
