CARE ACADEMY – GENERAL INFORMATION FOR PARENTS

CARE Academy is available for elementary school-age children (grades K-5) who are currently enrolled as students in schools where the program is offered.

The daily program at CARE Academy is dedicated to providing a setting and schedule which is more “home-like” than “school-like.” The children in the program already spend many hours in school each day. After school, children need some time to relax or rest, and to stretch their bodies as well as their minds. The setting needs to provide a “fun place to be.” Children must look forward to going there each day. The space and materials are stimulating for school age children.

Program Goal

To provide a safe and caring environment for all children in CARE Academy with a variety of educational and recreational activities.

Key Elements: (1) Homework help/academic assistance and educational games; (2) Physical activity including a variety of sports and age-appropriate games; (3) Enrichment activities ranging from arts & crafts to music; (4) Finally, just “free time” for children to pursue their favorite interests.

Schedule: 2019-2020 School Year

CARE Academy will serve children during scheduled school days and most major breaks and holidays. Separate registration is required for each school break and holiday breaks. For more information, please contact Mark Lambott, Director, at lambottm@billingssschools.org or by phone at 406-672-4214.

School Closed Due to Weather and/or Delayed Starts

If school is closed because of severe weather or any other unscheduled or emergency situation, CARE Academy will also be closed. Morning CARE will be closed if the school start time has been delayed because of severe weather or any other unscheduled emergency situation.

Release of Children

Child(ren) will be released only to person(s) who have been specified by the parent(s) through written permission or phone confirmation. All individuals with permission to sign out a child(ren) must be 16 years of age or older, unless special arrangements are made.

Identification may be required prior to the release of a child(ren). Any exceptions to this must be communicated to the CARE Academy staff at your child(ren)'s CARE Academy School.

FOOD & SNACKS

Morning Program: Unless the school has a breakfast program in place, children will not be fed in the morning. (If breakfast is served at the school site, parents may work directly with Food Service to take advantage of the service.)

Afternoon Program: Nutritious snacks will be served in the afternoon. Parents may want to provide a treat in honor of a child's birthday. In this case, they should contact the CARE Academy staff to determine the number of children to be served and plan the date.

Whole Day Programs: Snacks will be served mid-morning and mid-afternoon. Parents should send children after eating breakfast with a bag lunch. No food will be provided for breakfast or lunch at the site.

BUS TRANSPORTATION

School days: Busing from satellite schools is contingent upon busing availability.

Parent Teacher Conference Days: **No busing** is available from Satellite Schools to CARE Academy Site Schools on Parent Teacher Conference Days, Nov. 6, 7, 8, 2019. Parents will have to arrange for transportation to and from the program site during those days.

Whole Day Programs: Whole day programs will be held at Meadowlark Elementary. Parents will have to arrange for transportation to and from the program site during Whole Day programs, as no busing will be available.

FIELD TRIPS

Parents are required to sign a notice regarding any field trip as acknowledgement of the field trip date, time, and location. Any field trip requiring transportation will be provided by the school district's transportation office.

CARE Academy provides many opportunities for children to explore their community and sites of interest. In order for our program to provide quality care and enrichment, it is critical that, on dates when field trips occur, all children participate. Therefore, no on-site care is provided for those not wishing to participate in any given off campus activity.

ILLNESS

CARE Academy provides after school care for children who are attending school on any given school day. If a child is too ill to attend class, he or she is then too ill to attend the after school program. If a child becomes ill, or arrives ill at CARE Academy, the parent(s) will be contacted and expected to promptly pick up the ill child within 30 minutes of notification from the program. The child will be isolated from the other children until the arrival of the parents.

Discipline and Termination

Children are entitled to a safe, pleasant and harmonious atmosphere. Since CARE Academy operates after school hours, and we are unable to send a misbehaving child to the office, unacceptable behavior may be cause for dismissal from the program.

If a child is chronically disruptive to the functioning of the program, his/her enrollment may be suspended and/or terminated upon the recommendation of the staff after reasonable effort to integrate the child into the program, and after consulting the Director, the parent(s), and the Site Coordinator.

Children's Rights:

1. To have a safe environment.
2. To use all equipment and space on an equal basis.
3. To have their ideas and feelings respected.
4. To have discipline that is fair, equal, and respectful.
5. To have staff members who care about them, enjoy being with them, and help them grow.

Children's Responsibilities:

1. To learn the rules and accept the consequences for their actions.
2. To control their feelings so their actions do not harm people or school property while in the program.
3. To follow directions and remain with the group and supervisor at all times.
4. To return materials and equipment to the place they found them for other children to use before taking out a new activity.

Parents' Rights:

1. To know their child(ren) are in a safe environment.
2. To share concerns with the staff about anything they do not feel is in the best interest of their child(ren).
3. To know about their child's behavior. If there is a concern, to spend time talking with the staff about a solution.
4. To know if their child(ren) do not report to the program as intended.

Parents' Responsibilities:

1. **Any changes to your child(ren)'s schedule, drops or other changes, must be communicated to CARE Academy via email at careacademy@uwyellowstone.org or by calling the CARE Academy phone at 406-272-8512.**
2. To notify your child(ren)'s CARE Academy Site Coordinator by phone or written notice if a child(ren) will not attend.
3. To notify your child(ren)'s CARE Academy Site Coordinator when another authorized person is picking up the child(ren).
4. To pay fees on time.
5. To keep the child(ren)'s records up-to-date with changes in phone numbers and addresses.
6. For your child(ren)'s safety, you must sign your child(ren) in each morning and out each afternoon.

7. To pick up your child(ren) on time. Parents whose child(ren) remain past 6 pm must pay overtime fees at \$10 per each 10-minute increment. Children's services may be denied if three overtime charges occur.
8. To tell the site coordinator if the child(ren) needs special attention which may not be indicated on their registration forms (for example: a special crisis time in the child(ren)'s life, a death in the family, medication a child is taking, etc.).

Emergency Procedures

In case of a medical emergency:

Step 1: The Site Coordinator will call the parent(s). If neither parent can be reached, the next step will be taken.

Step 2: If the parent(s) have listed an alternative emergency number, that number will be tried (for example: grandparent, neighbor, or close friend). If those individuals cannot be reached, then step number 3 will be followed.

Step 3: The child will be taken by ambulance to the emergency room at a local hospital at the parent's expense.

Step 4: CARE Academy's responsibility ends when the child has been transported to the emergency room at the hospital. It is suggested that parent(s) have a notarized permission form on file with the hospital to treat their child(ren).

In case of poisoning, staff will immediately contact Poison Control (1-800-222-1222) and follow their instructions.
