

2020 CAMPAIGN AWARDS

Every year we are blown away by the gratitude of those who participate in our Workplace Campaign. As with so many things in 2020, we weren't sure how Campaign would turn out and we were nervous of the implications COVID-19 would have on our programs.

However, Yellowstone County showed up in a big way and helped us reach our fundraising goals, insuring we can continue to fight for the health, education and financial stability of all of our neighbors!
