UNITED ACTION: Building Literacy
United Way of Yellowstone County promotes literacy and gives children a solid foundation for lifelong learning and success by partnering with Pediatric clinics for the Reach Out and Read program and other partners for book distributions throughout the year.

Over 13,000 Books
Collected and given to children and families

Reading to Children:
- Increases School Success
- Stimulates Brain Development
- Creates Bonding with Parents
- Increases confidence, creativity, and a desire to learn

Pediatricians
Handed out books and encouraged reading during well child check-ups.

We Know this Works!

We Know it Changes Lives!
