WHY RUN A WORKPLACE CAMPAIGN?

A TYPICAL WORKPLACE CAMPAIGN
- Runs for 2-3 weeks September through December. (You choose the timeline that best serves you).
- Uses United Way marketing materials and pledge forms.

SMALL BUSINESSES. MAJOR CORPORATIONS. NON-PROFITS.
- Participating in a United Way campaign gives your organization the opportunity to learn firsthand about the needs in Yellowstone County, as well as provide rewarding team building experiences through all-season volunteer opportunities.
- 71% of surveyed employees say it is imperative to work where culture is supportive of giving and volunteering.

UNITED
- Every year, we encourage the entire community to gather funds, knowledge, and passion to address immediate needs. Our work focuses on education, financial stability, and health.
- We organize and lead hundreds of organizations in the fight against homelessness, hunger, drug abuse, and kids dropping out of school.

TRUSTED
United Way of Yellowstone County has a 4-star rating on Charity Navigator, the highest rating on the nation's largest and most-utilized charity evaluator. United Way meets all 20 Standards of Charitable Accountability established by the Better Business Bureau.

A RESPECTED BRAND
Increase your brand exposure and elevate your corporate identity by connecting your brand with United Way, one of the most respected and recognized brands in the world.

EFFECTIVE
Our programs improved the lives of more than 23,924 people last year and our funded Partner Agencies provided 180,543 meals, counseling sessions, shelter, and more. Money raised here stays here, and 88 cents of every dollar donated goes directly to programming.
Since 1961, UWYC has strived to make Yellowstone County a community where everyone, no matter their station in life, has the opportunity to achieve their potential.

We fundraise throughout Yellowstone County and invest in our local community. Through an in-depth research and granting process, organizations are selected to receive funding to support our initiatives.
