Grant Definitions:

- **Family:** A family consists of any group that includes at least one dependent child under age 18 and the person/people providing for their care and well-being. This could include minors who are in their care currently, **or** who are temporarily separated from them (*e.g. staying with friends or family or with CPS*), **or** someone who is pregnant.
 - a. *Clients need only meet the Family definition at the time of intake, if life circumstances change during the case-management period they are still eligible for funds and support from a CHN.*
 - b. *Additional eligibility will be considered on a case-by-case basis.*
- **Homeless:** Currently living (any amount of time that includes currently) in a housing situation they do not directly own or have a lease for including but not limited to: couch surfing, at a shelter, in a car, in a transitional housing facility, in sober living, or outside.
 - a. Clients are also eligible 14 days prior to their eviction move-out date.

Grant Restrictions & Guidelines:

- Funds must only be spent on those who meet the definitions of being a family and homeless.
 - The Housing Solutions Fund's (HSF) purpose is to be funds used to break down barriers to achieving **long-term stable housing for homeless families** and should be used towards that goal and that goal only please refer to the Allowable Expenses document for further information.
 - Grant funds are intended to be used in a triage manner, assisting the neediest clients first.
