

TENANCY EDUCATION REFERRAL FORM

Tenancy Education is focused on Yellowstone County residents who are currently homeless or housing insecure. Participants will learn how to read a lease, successfully navigate renting, financial best practices, and much more!
Food & Childcare provided*

Case Manager Name:

Agency:

Case Manager Email:

Case Manager Phone Number:

Name of client being referred:

Client Email or Phone Number:

Is this client housed currently? (Y/N):

What is this client's primary mode of transportation? (Car, Bus, Walk, etc.):

If the client has kids and may need childcare during class sessions, please list the first names and ages of all the client's children below:

If any names are in the above box we will need the client to sign a permission webform to allow for childcare if the need arises. Each child must have a signed form or childcare will not be available to them.

**Childcare not guaranteed, based on staff availability*

Due to limited spots available in the course. We are assessing clients based on need and the ability this course has to make an impact on their specific situation. Please describe this client's situation as it relates to housing, including barriers, assets, case management history and other information you feel is relevant.

**Please fill out the above information and return to Parker at
