Yellowstone County Continuum of Care (CoC)

The **MISSION** of the Continuum of Care is to create sustainable pathways to safe and stable housing for people who are at risk of or actually experiencing homelessness in Yellowstone County.

WHO WE ARE

A coalition of leaders joining forces to

Re-Imagine Our Homeless Response!

WHAT WE DO

Continuum of Care Leaders have joined forces to:

- **Change the Status Quo** of how we address homelessness from isolated and competitive to coordinated and effective.
- **Assess & Plan** together to create effective and efficient action that combines our strengths. A strategic plan was adopted in early 2021.
- **Share Data** in meaningful ways to guide action. Current data sharing includes a Data Dashboard and use of the Pathways system.
- **Optimize Efforts** by working together in a manner that combines our strengths, reaches more people, and saves money.

Priority Projects

Collaborating to serve the most vulnerable:

- Off The Streets Shelter & Q/I: Provided a low-barrier shelter and quarantine site to address the COVID-19 pandemic.
- **Coordinated Entry System**: Brings agencies together to increase access, align services, prevent duplication, and prioritize the most vulnerable.
- **Diversion Fund** Provides financial support to prevent homelessness.
- **Housing is Healthcare**: Creating a system to Identify and provide supportive services for the highest utilizers of services.
- Braiding with aligned community efforts such as Substance Abuse Connect, Community Innovations
